Eastern Africa presents the traveller with breathtaking experiences and an insight into the essence of Africa. It has everything from amazing wildlife, colourful culture, majestic snow capped mountains, rich rainforests, arid deserts, stunning coasts and idyllic islands.

Above all, it is the home of the "Big Five" - the elephant, buffalo, rhino, lion and leopard, which can be seen in most of the magnificent game sanctuaries, these extend through the borders of the Ethiopia, Uganda, Kenya and down to Tanzania.
